

# Events

The 2019 NYSOWA Spring Safari was held in Schroon Lake, in the Eastern Adirondacks. It was a spectacular event.

Plans for the 2019 Fall Conference are tentatively set for Oct. 24-27 in Cortland County. Stay tuned for more details.

NYSOWA encourages all members to consider hosting a NYSOWA event in their region. Such events benefit not only NYSOWA members, but the localities where the events are held. Please contact a member of our Site Selection Committee for more information.
